FEEDING INSTRUCTIONS:

Feed at the rate of 2.5% of body weight along with good quality roughage. Provide a constant supply of clean, fresh water.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.

INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for beef cattle and is not intended for other species.

PROFILE:

Show-Rite® Accelerator is a blend of Throttled Up and Cruiser to promote frame growth, body, bloom, and a smooth finish. This product is designed specifically for commercial pens and those desiring to feed multiple animals with one feed.
