FEEDING INSTRUCTIONS:

Feed at the rate of 2.5% of body weight along with good quality roughage. Provide a constant supply of clean, fresh water.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.

INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.

This product has been formulated specifically for beef cattle and is not intended for other species.

PROFILE:

Show-Rite HF can be used in a variety of programs to prevent the development of excessive condition. Show-Rite HF provides the optimum in trace mineral nutrition by using Total Replacement Technology™ (TRT), which are the highly bioavailable (Bio-Plex®) all-organic trace minerals.
