## FEEDING INSTRUCTIONS:

Feed at the rate of 2.5% of body weight along with good quality roughage. Provide a constant supply of clean, fresh water.

Hubbard does not use "Restricted-use Proteins" in their products and is in compliance with FDA and state requirements regarding the use, handling and storage of "Restricted-use Protein" products.

## INGREDIENTS:

Please refer to the product label/tag for a complete list of ingredients.

*WARNING: This product, which contains added copper, should not be fed to sheep or related species that have a low tolerance to copper.*

*This product has been formulated specifically for beef cattle and is not intended for other species.*

## PROFILE:

Show-Rite® Cattle Feeds are complete texturized feeds. These premium products contain a mixture of steam flaked corn, oats and barley with cottonseed hulls, linseed meal and molasses. Show-Rite texturized cattle feeds use the newest technologies, including organic trace mineral complexes, probiotics, fermentation extracts, and flavoring agents ... all combined to help optimize growth and development of the show animal.
